

PRECISION MICROWAVE CONNECTORS, BULK CABLE & CABLE ASSEMBLIES
135 Ward Hill Avenue • Haverhill, MA 01835

Reference: **Conflict Minerals Statement**

In response to customer inquiries regarding compliance with Section 1502 of the Dodd-Frank Act, relating to conflict minerals (also referred to in the marketplace as “conflict metals”) originating from the Democratic Republic of Congo (DRC) and neighboring countries, Dynamwave Incorporated has prepared this statement. The scope of this statement is limited to the Conflict minerals currently defined as Tin, Tantalum, Tungsten, and Gold; also referred to as “3TG minerals.” Of these minerals, only Gold and Tin are present in the materials used in the manufacture of our products.

Dynamwave Incorporated has contacted our direct suppliers of Gold and Tin, and certifies to the best of our knowledge that our supply chain does not contain any minerals or materials originating from or processed within the recognized conflict areas of Democratic Republic of Congo or adjoining countries. In addition, we require that our suppliers source only from smelters that are compliant with the CFSI’s Conflict-Free Smelter Program assessment protocols (www.conflictreesourcing.org).

Sincerely,

Mike Dombroski
